Annexure A to Independent Auditors' Report

Referred to in paragraph 10(f) of the Independent Auditors' Report of even date to the members of Akshar Spintex Private Limited on the standalone financial statements for the year ended 31st March, 2017

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Act

 In conjunction with our audit of the standalone financial statements of the Company as of and for the year ended 31st March, 2017, we have audited the internal financial controls over the financial reporting of Akshar Spintex Private Limited ("the Company") as of that date.

Management's Responsibility for Internal Financial Controls

2. The Company's management is responsible for establishing and maintaining internal financial controls based on internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India ("ICAI"). These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to the respective company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Act.

Auditors' Responsibility

- 3. Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") issued by the ICAI and the Standards on Auditing deemed to be prescribed under Section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of internal financial controls and both issued by the ICAI. Those Standards and the Guidance Note require that we comply with the ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.
- 4. Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on assessed risk. The procedures selected depend on the auditors' judgement, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

Annexure A to Independent Auditors' Report

5. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls Over Financial Reporting

6. A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the Company are being made only in accordance with authorisations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect of financial statements.

Inherent Limitations of Internal Financial Controls Over Financial Reporting

7. Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial control over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

8. In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at 31st March, 2017, based on the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note issued by ICAI.

Note 2: Significant Accounting Policies & Accompanying Notes

1 Basis of Accounting

These financial statements are prepared in accordance with the generally accepted accounting principles in India under the historical cost convention on accrual basis. Certain items of income and expenses and asset valuation are recognized for the purpose of financial statement in different time periods than for tax purposes.

These financial statements have been prepared to comply in all material aspects with the accounting standards notified under Section 211(3C) [(Companies Accounting Standards) Rules, 2006, as amended] and the other relevant provisions of the Companies Act, 2013.

2 Use of Estimates

The preparation of financial statements requires the management of the Company to make estimates and assumptions that affect the reported balances of assets and liabilities and disclosures relating to the contingent liabilities as at the date of the financial statements and reported amounts of income and expense during the year. Example of such estimates include provision for doubtful receivables, employee benefits, provision for income taxes, the useful lives of depreciable fixed assets and provision for impairment.

3 Fixed Assets

All fixed assets are stated at cost of acquisition, less accumulated depreciation and includes adjustment arising from exchange rate variations attributable to fixed assets. In the case of fixed assets acquired for new projects / expansion certain direct expenses incurred upto the date of completion of project are capitalised and expenditure for maintenance and repairs are charged to the Profit and Loss Account, when assets are sold or discarded their cost and accumulated depreciation are removed from the accounts and any gain or loss resulting from their disposal is included in the Profit & Loss Account. When fixed assets are revalued any surplus on revaluation is credited to the revaluation reserve account.

4 Depreciation/Amortization

Tangibles

Depreciation on Fixed assets is provided on Straight Line Method over the lives and in the manner specified in Schedule II to the Companies Act, 2013, read with the relevant circulars issued by the Department of Corporate Affairs from time to time.
